

## HOWES3 | Brighton | Jazz Fusion

HOWES3 are an exciting Brighton-based jazz funk/gospel fusion power trio. Brought together through a mutual love of 70's jazz funk, 80's fusion, 90's R'n'B, gospel and hip-hop they cultivate a unique sound that has a foot in each genre. Blending smooth neo-soul progressions and utilising rich gospel harmony, sincere melodies and increasing levels of rhythmic freedom throughout, their music is a feel-good journey through their collective influences.

Over 100,000 streams of their debut single in just a few months, and 2 consecutive sell-out shows at The Jazz Café - Camden, supporting jazz-fusion legend Billy Cobham in Nov 2019 and Taylor McFerrin at Oslo, Hackney; HOWES3 are set to make their mark on 2020 with their debut album 'Moving Forward' due for release in April via UK/US record label DeepMatter.

Other notable shows include Jazz Re:Freshed, Love Supreme Jazz Festival Arena Stage, Southbank Centre, Soundcrash Funk & Soul Weekender, Kansas Smitty's, Great Escape Festival and Sofar Sounds London.
